Rich,

No, let's keep it at 2:30 and don't worry about the time. I finish at 2:45 but particularly on days that I work at home or when I don't have to pick up my son from school I have much more flexibility. We need to have this discussion and it will take however long it needs to take. Thanks, Dan

We can start at 3pm if you want. But I think you leave at 3:30pm, so I didn't want to make you rush.
